

## Counselor's Corner!

Dear Parents and Guardians,

Our counseling program at Niles Intermediate is off to an exciting start! Students are being serviced through classroom presentations, small groups during lunch, individual meetings, and teacher consultations. This month's character pillar is Trustworthiness. Please take a moment to discuss with your child the importance of honesty and reliability. Point out ways that your child is earning your trust by his or her actions both at home and at school. Let your child know when he or she makes a great decision or makes you proud! Reinforce the positive behaviors and the negative behaviors often begin to diminish! Please contact me for more information on helping your child develop trustworthiness!
