Spelling Bee Winner – Big Shout out to Jack Bortmas for being our NIS Spelling Bee Champion this year. Congratulations! On Wednesday, February 27th, Jack will participate in the TCESC Spelling Bee at Hubbard High School. This starts at 5:00. Good Luck!

Congratulations to our Runner-Up winner Jordan Smith and our 3rd place winner Chase Miller.

Also, I would like to share that we have our students participating in The A's Pays' Program, where students earn daily tickets that will go into a drawing for a student to win a bike. For the 3rd nine weeks and 4th nine weeks our students earn tickets for academic success and achieving progress in all core subjects.

We are also having teachers turn in note cards each day of students being good citizens at NIS. Mr. Staph and Mr. Fasline will read the students' names and what they were recognized for during that day.
