

AN IMPORTANT ANNOUNCEMENT FROM

THE NILES CITY HEALTH DEPT.

Effective for the 2010-2011 school year, all students entering the 7th grade in the state of Ohio must have a **Tdap (Tetanus, diphtheria, and acellular pertussis)** booster. It is important that your child receive this immunization prior to entering the 7th grade this fall. The vaccine can be obtained through the Health Department or possibly through your child's primary care physician. Please present proof of vaccination to the school nurse once your child receives their Tdap.

Below are the other recommended vaccines besides the required Tdap for adolescents.

1. MENINGITIS
2. VARICELLA (CHICKEN POX)
3. HEPATITIS A
4. GARDASIL

Below are clinic dates for the Niles City Health Department

8:30 AM – 9:30 AM

No appointment necessary

The cost is \$3.00 per vaccine and some may qualify for free vaccines.

Medicaid cards will be accepted.

No one will be refused for inability to pay.
