Mr. Staph

Parent Newsletter

Hello Parents,

In the month of March, we have Niles McKinley Library individuals coming in to work with our students on Non Fiction stories and activities promoting Niles McKinley Library.

Our 5th grade students will take a field trip to Niles Middle School.

March 13th,

- Professional Day
- No students

March 20th,

- Report Cards go home

March 24th - March 31st,

- We start the AIR ELA Testing for our students in grades 3 – 5.
- More information will follow.

I would like to share that we have our students participating in The A's Pays' Program, where students earn daily tickets that will go into a drawing for a student to win a bike. For the 3rd nine weeks and 4th nine weeks our students earn tickets for academic success and achieving progress in all core subjects.

We are also having teachers turn in note cards each day of students being good citizens at NIS. Mr. Staph and Mr. Fasline will read the students' names and what they were recognized for during that day.

Parents, tardy bell is at 8:35. After 8:35 parents and guardians need to come in and sign their child in the office. **We need your child here on time.**
