Dear Parents/Guardians,

Welcome back to a new and exciting school year at Niles Intermediate School. As we begin the 2024 -2025 school year, we would like to assure you that we will always strive to maintain an environment that is safe and secure with a curriculum aligned to Ohio Learning Standards. We aim to ensure that each student receives the maximum opportunity for learning. We look forward to working with you, your children, and the Niles Intermediate school staff to continue the excitement throughout the year!

This **September is Attendance Awareness Month**, and we are making a huge push to get all students to school, on time, every day. **Our goal for 2024-2025 school year is to ensure that every student attends school on a regular basis.**

Showing up to school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Even as students grow older and more independent, families play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and in life.

We realize some absences are unavoidable due to health problems or other circumstances. But, we also know that when students miss too much school – regardless of the reason, it can cause them to fall behind academically. Your child is less likely to succeed if he or she is chronically absent.

We don't want your child to fall behind in school and get discouraged. Please ensure that your child attends school every day and arrives on time.

Let us know how we can best support you and your children so they can show up for school on time every day. We want your child to be successful in school! We look forward to partnering with families to inspire our students to attain the skills necessary to be successful learners and productive members of society.

If anyone has any questions or concerns, please call 330 – 989 - 5093

Educationally Yours,

Mr. Staph and Mr. Fasline
